

OLYMPUS®

VN-3600 Digital Voice Recorder Meetings and lectures. Phone numbers and lists. The Olympus VN-3600 is a remarkably compact and versatile digital recorder with an impressive 6 hours of recording time and the inventive features that made us the leader in the category. Four separate folders. Simple thumb-pad navigation. Twenty programmable verbal alarms. All in the palm of your hand. Nothing's impossible.

olympusamerica.com/vn-3600

360-Minute Recording Record up to 6 uninterrupted hours in LP mode.

4 Folders 3 file folders plus a convenient schedule folder provide unparalleled organization.

Thumb-Pad Navigation Access and play any file quickly and easily.

Quick, Easy File Management Erase single files or entire folders, or move files from one folder to another.

3 Recording Modes Use HQ mode for superior sound quality, LP and SP modes for extended recording.

20 Handy Alarms Get verbal meeting or birthday reminders or a pleasant wake-up when you're traveling.

Functional Display LCD displays date and time, remaining recording time, battery status and more.

Voice Activation Choose high- or low-sensitivity automatic recording.

Earphone and Microphone Jacks For private listening and flexible recording options.

Fast Playback Listen efficiently with playback 30 percent faster than real time.

Metal Clip Record hands-free or just keep the VN-3600 within quick and easy reach.

Long Battery Life Two AAA batteries are good for up to 33 hours of continuous operation.

Comfortably Small The VN-3600 is small enough to go unnoticed in almost any pocket.
